

Cap Off

- the easy way to
open screw-caps

Opening screw-caps can be difficult, especially for people with weak and painful wrists. Cap-Off makes the opening easy as it grips firmly around the cap and the handles makes the turning of the cap easy.

For screw caps with grooves

- plastic and metal, wine bottles too.

- Dish washer proof up to 100° C
- Material: POM
- Which is 3 times stronger compared to conventional PP which most screw caps are made of.
